

# Gulf Wars 2025

## Teen Scavenger Hunt

### Join the War Effort

**Rules:** Pick a team in the War Effort, it could be your Kingdom, or you could go mercenary! Participants must be 14-18 years of age. For any item with an added question the question must be answered to get the point. Check the checkmark for each item completed. If it is an item where you can get multiple point, add tick marks in the left section to add up. Points will be added up Thursday evening at the Crow's Nest, and the team with the most points gets a War Point for their side. Have fun getting out and about at Gulf Wars and thank you for contributing to the War Effort!
